# Slice Parlor

Slice Parlor is committed to serving the finest and most authentic New York style pizza in Albuquerque.

We make our dough from scratch & hand stretch it daily. Our sauce is made daily with a premium tomato sauce and contains freshly chopped herbs. We use a premium whole milk mozzarella that contains very little oil and grate it ourselves. Our pizzas are hand tossed and baked on stone, never on a conveyor belt.

We do it the old way, the right way. It might take a little longer but we feel it's worth the wait.

Slice Parlor is a locally owned and operated business.
